OUR STORY

Hi I am Sarah,

Years ago I met a Southern highlands boy and we decided to take a chance on each other. I packed up my life, moved across the world and together we built a family.

Alongside raising our little crew, I held onto another dream, getting back to my roots in hospitality and making my Papaw proud.

So here we are, our family is thrilled to share our love of food and cooking with you. At The Hide Out Bar and Grill, we blend the bold comforting flavours of Texas with a sprinkle of Aussie flair to create something truly special.

We created this space to be more than just a restaurant.

It is a warm and inclusive hide away where everyone is welcome. We hope you feel right at home and enjoy a taste of our heritage, made with love. Don't be a stranger, say hi when you stop by and thank you for the bottom of our hearts for supporting our little family dream.

Lots of love

Sarah, Pete, Calista, Brooklynn, Skylynn and Adalynn
